

Welcome to mYngle classroom 1

Please hold on, while we prepare your lesson. Your teacher will be with you shortly. In the meantime please familiarise yourself with our classroom. Thank you for your patience.

List of attendees

Chat window

Please click “Activate audio” to enable audio visual communication with your teacher.

Connecting may take up to 30 seconds, depending on the available bandwidth of your connection . Video is switched off by default, as it consumes a lot of bandwidth. You can activate the controls by clicking on “show control”. Then click on “Turn on video” to start sending a videostream. Please keep in mind that you need a stable and fast connection for a video connection.
